Gig Seekers - How it works

1

Fill out your musician profile in minutes. Our team will review it and let you know if you're approved

2

Every time a gig is posted that we think you'd be a good match for, we'll send you an email

3

Apply to various listings, connect with gig posters and get more gigz!

4

Rate your experience. We do this so as to ensure that our platform has legitimate gigs and amazing musicians. Reprise!

Gig Posters

1

Post a gig in 5 minutes

2

Review applications - watch videos, listen to audio and save time finding the right musician or band for your gig

3

Success! Rock out with that bass player at your band's show. Listen to that synth on your new record. Book up any remaining slots on your club's calendar

4

Rate your experience and do it again!

Our team is on a mission to help musicians get high quality gigs, and to help anyone seeking artists to find the best talent

Whether you're in a band and need someone to come drop in last minute for a night, have slots at your venue that you're looking to fill, need the perfect band/musician for that special occasion, we've got you covered!
